Annual Fall Work Day & Vaccination Clinic

What an amazing turnout for the Fall Work Day, our best ever! Over 60 people rolled up their sleeves and came out to RBR to lend a hand weeding, trimming, leveling the barn aisles and preparing the new tack shed area. Thanks to everyone's effort, much was accomplished.

- o If you were unable to attend the work day you'll need to contact Jeff Powell, the grounds director at rosebowlriders_info@yahoo.com for an alternate job to be done within the next 2 weeks. Or, in lieu of working, you may send in a check to the RBR P.O. Box. Any amount is appreciated. Please specify "work day donation" on the check.

An extra special thank you to Rebecca Roberson for the spread of delicious foods that was provided for all the early risers on work day!

Flintridge Autumn Classic

What a great time Katie Ginzton's Myrtle Hill Farm riders Carolyn Pasqualetto, Katelyn Woodward, Chloe Cockrum, Patricia DeHaven, Angela Sarni and Katie Kelman had at the Flintridge Autumn Classic horse show in early October! Congratulations to Katelyn and Palomar for winning reserve champion in the Opportunity Jumpers and Katie Kelman and Willy for winning first in Equitation!

Fall Dressage Show

We had a great dressage show in October with Judge Patricia Lincourt. Quite a few riders from RBR participated and a handful of horses trailered in from other barns. Competitors were also treated to a post-show mini-clinic with the Judge to work on and improve their test scores.

Barn Fridge

Thank you to Ann Regan for donating the new barn fridge! I'm sure we can all agree how nice it is to have a working fridge again!

Please Remember:

- o The drinks in the fridge have been donated by members and are for everyone's enjoyment. You can check on the sign-up sheet to see who brought what/when so you can thank them!
- o The fridge is for everyone's use and **not for**

- o storing large items including large bags of carrots.
- o Clearly mark *anything* you bring that is not intended for sharing.

Welcome New Horses
