## *To Our Riders, Advertisers, Guests, and Sponsors:*

It is a pleasure to welcome you to this, our Eighth Annual Horse Show. We are particularly pleased to be able to conduct this show for the first time under the auspices of the American Horse Show Association. In offering the Equitation Classes for the Juniors, we feel we are providing our future horsemen and women an opportunity to advance themselves in this wonderful sport to which our organization is dedicated.

I wish to take this opportunity to thank my fellow workers whose long hours of untiring work and effort have made it possible to produce this exhibition of some of the finest horses and riders in the State.

Our clubhouse is nearing completion, though it has been a long tedious job, made possible only by the support of our members, guests and friends who each year have so generously supported this annual show which is our principal source of income. We, who have been close to it over the years, feel that its culmination will have been worth all our efforts.

It is the aim of this organization to make this Annual Rose Bowl Show one of the outstanding events of its kind in the State. We all sincerely hope you will agree at the close of this two day performance that we have made strides in that direction this year.

I again thank each and every one of you for your time, money and good wishes.

**DICK BULL,**  
President

# **ACKNOWLEDGEMENTS**

We wish to thank those members of our Club, friends, horsemen, trophy donors, advertisers, merchants and others who have contributed to the success of this horse show.

## **"THE ROSE BOWL RIDERS, INC."**

Contributing much to the community in which we live, the Rose Bowl Riders Club House, Show Ring, and other facilities located in Oak Grove Park is the hub around which the finest in recreation is practiced.

The setting is perfect with our Club House, Equestrian Ring, and Bridle trails running in all directions for this true "Sport of Kings" to be enjoyed to the fullest.

The daily use of the facilities has increased to such an extent with both Junior and Senior members and friends, that we are proud of the contribution we are making in the lives of all.

The practice of real horsemanship develops true sportsmanship.

## **THE SPORTSMAN'S CHARTER**

That sport is something done for the fun of doing it and that it ceases to be sport when it becomes a business, something done for what there is in it:

That amateurism is something of the heart and spirit—not a matter of exact technical qualifications;

That the good manners of sport are fundamentally important;

That the code must be strictly upheld;

That the whole structure of sport is not only preserved from the absurdity of undue importance, but is justified by a kind of romance which animates it, and by the positive virtues of courage, patience, good temper, and unselfishness which are demanded by the code;

That the exploitation of sport for profit kills the spirit and retains only the husk and semblance of the thing;

That the qualities of frankness, courage and sincerity which mark the good sportsman in private life shall mark all discussions of his interest in this Club.
