It's time for our Spring Work Day and Vaccination Clinic!

On Saturday, May 9th RBR will hold its semi-annual work day and vaccination clinic! We'll begin our work day at 8:00 am in the Clubhouse with a light breakfast and coffee. Walt Myers, our Director of Grounds will have several projects for us to work on. We'll stop around 1:00 pm to have lunch in the picnic area compliments of RBR. It's a good idea to bring gloves and some tools if you can. Remember to label anything you bring to ensure that you'll get it back!

If you can't make the work day you'll need to either send a donation to the P.O. Box or contact: rosebowlriders_info@yahoo.com for an alternate job to do on your own time.

The vaccination clinic with Dr. Peralez will begin at 8:00 am by the main barn and end around 11:00 am, depending upon the number of horses. This clinic is open to all member's horses! If you wish to participate, please be sure to sign up your horse by May 4th for the appropriate shots. The sign up sheet is located in the main barn above the telephone. — See you there!
