-All tests may be called or ridden from memory. You must provide your own caller.

* **HOPEFULS** is set up for those not yet ready for dressage and those who ride horses not trained in dressage. It is designed to test the rider's horsemanship skills as well as introduce the layout of the dressage arena. Harmony between horse and rider, smoothness of transitions and accuracy are all a part of horsemanship. In Hopefuls the rider is judged, not the horse. Side-walkers are permitted and tests may be called. Those riding in Hopefuls may not cross enter into any other level.

** **WESTERN** may not cross enter into any other division/level.

*** **THESE TESTS ARE RIDDEN FOR EXHIBITION ONLY. Rides will be scored but no ribbons awarded.**

WELCOME TO ROSE BOWL RIDERS

The mission of Rose Bowl Riders is to connect people to horses and nature through responsible horsemanship, sustainable horsekeeping, education & public outreach.

Rose Bowl Riders is an all-volunteer, not-for-profit organization which seeks to provide leadership in responsible, sustainable, and affordable horse keeping, excellence in horsemanship and instruction, and inclusiveness through community outreach. Our full equestrian facility is situated on 12 oak-shaded acres within Pasadena's Hahamongna Watershed Park. Rose Bowl Riders shares this special natural environment with an abundance of wildlife including quail, western bluebirds, egrets, Cooper's and red-tailed hawks, gopher snakes, rabbits, bobcats, coyotes, deer and more. Rose Bowl Riders also has a partnering 501(c)(3) called The Rose Bowl Riders Charitable Organization (RBRCO) which funds free and reduced-fee horse programs. Assistance and programs are offered to youth groups, disadvantaged children and adults, public school students and others within the local community who might not otherwise be able to participate. Our goal is to expand the equestrian opportunities at our facility as well as provide greater access to horses and the outdoors through a variety of programs for all ages and interests.
